Accommodation in Cambridge

St John's College

St John's College is one of the largest University residential colleges in Cambridge, with 250 rooms available on site. The serene atmosphere of the ancient courts is complimented by the comfort, spaciousness and convenience of its modern campus accommodation.

In previous years, the majority of Cambridge Conference delegates have chosen to book accommodation at the College to take advantage of the reasonable room rates on offer and the opportunity to stay at St John's: only the College's own students or those taking part in a residential meeting such as the 2007 Cambridge Conference are permitted to stay on campus.
